

The Grass Seed You Want In The Mix

Evening Shade is a proven Perennial Ryegrass, with extremely fine leaf texture, making it ideal for overseeding, as well as a component for blends and mixes.

Unique features of Evening Shade include:

- **Dark green color**
- **Color extending into Fall and Winter**
- **Low growing means reduced maintenance**
- **Hardy resistance to disease, including Red Thread, Crown Rust and Brown Blight**

Call us to discover why **Evening Shade** has been an enduring choice for decades!

Evening Shade is ideal for golf and sports field applications, including overseeding and blending.
