

5 Way Ryegrass Lawn Seed Mixture

Seed mix contains:

- 100% Perennial Ryegrass (5 Improved Varieties)

Why settle for a mixture of “no name” varieties. Our Oliger’s 5-Way Ryegrass mix is continually upgraded to contain some of the newest and highest rated ryegrasses on the market, (Truly “Elite” Varieties). This is what makes it a repeat favorite of golf superintendents and lawn renovation specialists.

Seed Mix Features:

- Sports turf, golf course, fairways, roughs, tees, and greens.
- Sprouts quickly, developing a strong root system under normal conditions.
- Full sun exposure.

Recommended Seeding Rates:

- New seeding rate: 6 lbs. per 1,000 square feet.
- Overseeding rate: 3 lbs. per 1,000 square feet.
